

# 2024 ASTRO-AAPM Physics Resident/ Postdoctoral FELLOW SEED GRANT

## **AAPM and the American Society of Radiation Oncology (ASTRO)**

are happy to announce a jointly funded research seed grant for Medical Physics Residents and Post-Doctoral Fellows. The goal of the joint seed grant is to advance the field of radiation oncology in novel ways through the support of early-career scientists involved in radiation oncology physics-related research. With this jointly supported grant, both societies aim to help support the next generation of researchers in the field of radiation oncology.

*Sponsored by the AAPM Science Council through the AAPM Education & Research Fund and the American Society of Radiation Oncology (ASTRO).*

## **ELIGIBILITY CRITERIA**

- Must be a current and active ASTRO and AAPM member.
- Must show a commitment to a career focusing on physics-related research with a radiation oncology component.
- Must work at an institution with a well-established research and clinical career development program and qualified faculty in physics and radiation oncology to serve as mentors.
- Must be a physics resident or post-doctoral fellow. Physics residents: your institution must be willing to commit 75% of your time to research for at least one year.

## **AWARD DURATION**

July 1, 2024 – June 20, 2025

## **APPLICATION DEADLINE**

March 20, 2024

AAPM Members must log in to access the application. If you are not yet an AAPM member, consider applying now to be eligible for the grant. Apply [here](#).

**PROGRAM CONTACT:** Karen MacFarland | [karen@aapm.org](mailto:karen@aapm.org)
